

GHF - Baggy Pants Size Guide

Overview

Our baggy pants are designed for a relaxed, unisex fit with a flattering drape. Each pair is fitted with an elastic waistband and rope tie, giving flexibility and ease across sizes. The smallest size available is L, which fits XS and S bodies with a comfortably oversized look. To achieve a classic baggy style, we recommend going up two sizes from your regular trouser size.

What Size Am I? (Baggy Pants)

Hip (in)	Label	Trouser Length (in)
42-44	L	41
45-47	XL	42
48-50	2XL	43
51-53	3XL	44

Fit Tips

- Start with your hip measurement.
- Waistbands are elastic with a drawstring - flexible and forgiving.
- Size L is the smallest and is recommended for XS/S body types.
- For a snuggier silhouette, size down (if possible).
- For a truly baggy fit, go up two sizes from your regular trouser size.
- Length varies depending on your height and how low you wear the pants.
